

Sports premium audit for prioritisation and action

Curriculum PE

Ofsted	Area to be investigated	Reviewed	Evidence/Benchmark	Priority area
Achievement in weekly PE lessons	PE coverage LRS to provide a range of PE and sports – to include gymnastics, dance, games and adventurous outdoor activity	Subject assessments Planning scrutiny	Children with a wide range of experiences across a range of sports and PE activities	PE Coordinator to ensure PE coverage is met across Foundation, KS1 and KS2
Increased participation in competitive school sport	Extra-curricular opportunities	Rotation of offered clubs to ALL pupils (At least 5 different sports on offer)	All children to be encouraged to join club Focus on PP and AfA children	PE Coordinator and Extra-curricular activities coordinator to liaise
	Revamp of school house competition	Whole school approach to the revamped competition	Half-termly House competitions to supplement house points (classroom reward)	PE Coordinator to liaise with class teachers to provide intra school competition in a range of activities Results to be included in Half Termly sports Newsletter
Personal health and well-being	Opportunities for cycling Proficiency	Ongoing provision of cycling proficiency and road safety	Majority of Year 5 and Year 6 pupils to have achieved level 1 in cycling proficiency by end of academic year	PE Coordinator and Extra-curricular activities coordinator to liaise Year group teachers to encourage and update on progress

	Health and Well-being school focus	Hallway display Whole school assembly	Teachers, parents and children promoting and sharing ideas and values on how to lead a healthy lifestyle	PE coordinator to run whole school assemblies to boost profile Opportunities for sharing via Half-termly Sports Newsletter
Improved attitudes and behaviour towards learning	It is expected that if the priorities above are met we will see an improvement in children's attitudes and behaviour towards their learning. This will be supported through the pupils' attainment and progress over the course of the academic year.
