

Year 5

Homework

Homework will be given out every Thursday and should be returned the following Tuesday. At LRS we strive to recognise and celebrate the uniqueness of every child and as such we are happy for homework to be presented in a variety of ways that suit your child's learning style.

Math's

Maths homework will be a consolidation of the work completed in class during the week with a suitable element of challenge for each child. Some activities will be online.

Spellings

A set of spellings according to your child's needs will be practiced at school then given for homework on Thursdays. Spelling tests will be on Mondays.

Uniform

Children are expected to wear full school uniform to represent our school smartly. Please ensure that every item is labelled clearly.

PE kits

PE kits should be brought to school every Monday for the whole week. If your child attends a club, please make sure their PE kit is brought back the following day.

Jewellery

- Earrings—flat studs only
- Watches may be worn
- No other items of jewellery are allowed

Attendance

At LRS we value the educational benefits of high attendance and have a system of rewards to celebrate pupils' good attendance.

If your child is absent from school, please phone the office and send in a letter to the Class Teacher ASAP stating the reason. Holidays must not be taken during term time.

Little Reddings Primary school

Mr Wells
Mrs Wheeler
Mr Presky
