Breaking News!

As Chair of the Bushey St James Multi Academy Trust, I am delighted to announce to all stakeholders associated with Bushey Meads School, Little Reddings Primary School and Hartsbourne Primary School that Hartsbourne Primary School has been granted its Academy Order and can now formally join the Bushey St James from December 1st 2017.

This announcement follows a significant amount of work related to the thorough due diligence process, legal and financial work and a detailed review of Governance across our Multi Academy Trust.

I would like to thank all staff involved for their hard work, dedication and commitment, and for establishing the very strong links across all three schools that have already impacted positively on teaching and learning and improving pupil progress.

We know that the staff, students, parents and carers, and Governors of Hartsbourne Primary School will continue to add a brilliant new dimension to our existing outstanding work across the local area.

With very best wishes,

Sam Russell

Chair of the BSJT

Y6 VISIT RAF HENDON

As part of Year 6's topic on World War 2, they visited RAF Hendon at the beginning of the month.

Camilla, Leilani and Anastasija report:

When we arrived we went to a room that was designed to look like a WW2 house. We learnt about gas masks, rationing and Anderson shelters. After that a fake alarm went off as an air raid siren. We went into a realistic Anderson shelter. When we were given the all clear, we looked at some RAF uniforms and learnt about the types of clothing worn. We even got a chance to try them on!

We each had a partner and we were put into groups with the teachers. We had a look at the bombs and the planes and then we went to lunch. We all had a great at the museum and would love to go again!

REMEMBRANCE DAY

Little Reddings took part in a number of activities to commemorate the end of World War 1 and to remember the lives that have been lost through all wars.

Year 6 gave an assembly which highlighted the reasons for Remembrance Day and ended with a two minute silence.

Children took part in different activities throughout the day, including art and writing.

I'd like to say a big "thank you" to all of you who donated money for poppies in the playground in the week running up to Remembrance Day – you managed to raise a fantastic £306.49 for The Poppy Appeal.

Burglar Bill Writing Day

The children enjoyed a fun day of writing activities around the book Burglar Bill last week. Children across the school were excited to see all of the staff dressed as burglars and take part in different activities relating to the Janet and Allan Ahlberg book. Some great pieces of writing were achieved and the day was enjoyed by all.

Have a lovely weekend.
