Dear Parents/Carers,

This week in Nursery we have had **ART WEEK!**

For Art Week we have been looking at different artists and their work. We then became artists ourselves and used these artists as inspiration to produce our own works of art.

The 3 different artists we looked at were:

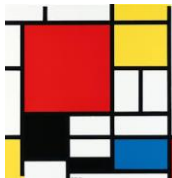

1. **Giuseppe Arcimboldo** – some of us made our own fruit and vegetable portraits.

2. **Wassily Kandinsky** – some of us used circles and squares to make our own version of his painting 'Color Study, Squares with Concentric Circles, 1913'.

3. **Piet Mondrian** – some of us used masking tape and paint to make our own version of his paintings.

**Key vocabulary:** artist, portrait, fruit, vegetables, face, eyes, nose, mouth, ears, hair, square, rectangle, circle.

We also learnt the colours in French, went on a colour hunt around the school and made patterns with colour beads and laces, practised our cutting skills on colourful spaghetti and explored colourful ice.

**Next week**

We will be continuing with our topic this term which is 'How many colours in a rainbow?' This will include making a giant rainbow for our roleplay area!

☺ **Here are some activities you might like to try at home:**

- Play 'I spy with my little eye something that is circle/square/triangle shaped!'
- Play 'I spy with my little eye something that is blue/red/yellow etc'
- When you are having dinner or out shopping have a chat about which foods are healthy and unhealthy.

**Just a note to say:**

Enjoy the weekend  
Miss Wong, Mrs Higgs and Mrs Porphire

Don't forget to let us know what your child has been up to at home and fill in a 'WOW' moment sheet!
