Book of the week

### Physical Development

As Sports Day is approaching us, we have been very busy practising all the activities. The children have been working super hard and we are all very excited for Sports Day on Tuesday!

### Maths

This week we have been looking at 2D shapes in Maths. We should be able to recognise a circle, square, triangle, rectangle, oval and some of us can even point out a pentagon.

### Understanding the World

Continuing with our shadow topic, we have been exploring with shadows more outside. We put toys on paper to see what shadows it would make and then drew around them. We even had a go at drawing around our own shadows. We have also had lots of children bring in some fantastic shadow puppets from home for their homework.

### Sports Day

Tuesday 26<sup>th</sup> June  
9:30-11.30

The weather will be hot on Sports Day so please make sure your child brings a bottle of WATER, a SUN HAT and apply plenty of SUN CREAM on before they come to school.

If you are staying for the picnic, don't forget to bring food and drink with you!

Just a note to say:

Have a lovely weekend!

Miss Wong, Mrs Higgs and Mrs Porphire

Don't forget to let us know what your child has been up to at home and fill in a 'WOW' moment sheet.
