Dear Parents/Carers,

This week, we have been celebrating WOLRD BOOK DAY!
The children have come in fantastic costumes of their favourite book character.

English

We really enjoyed the story 'Where the Wild Things Are' and we had a visitor come in to do a workshop with us where we turned into Wild Things ourselves with sharp claws and teeth. The wild rumpus was especially fun. We then carried on in the classroom using the story stones and masks.

On Thursday, we all dressed up as our favourite book character and were given a £1 book token to buy a book that we would really enjoy.

Phonics: h, b, f

Key vocabulary: Story, Book, Characters, Author, Illustrator

Self-Registration

We have changed our self-registration cards from a big picture of ourselves to just our names and a tiny picture. The teachers thought it would confuse us but we could recognise our names straight away! 😊

Maths

This week we have been focussing on shapes. We discussed the different names of shapes and tried to differentiate 2D and 3D shapes. We then used the 3D shapes to do some junk modelling and tried to make a boat like the one from 'Where the Wild Things Are'.

Key vocabulary: 2D, 3D, Circle, Triangle, Square, Rectangle, Cube, Cuboid, Sphere, Pyramid

Understanding the World

We have been very interested in watching the weather and exploring the snow. We had great fun making footprints and watching what happens to snow when it is in the sun. We even found some pretty impressive icicles.

Key vocabulary: weather, snow, melt, freeze, ice, icicles

Next week

We will be learning more about seasons and talking about spring. There will also be a surprise parcel arriving in to Nursery on Monday.
