### Home school links

- We have an open door policy where you will have time to help your child settle in during the mornings.
- Please stay if you are able to at 8.50 and we ask parents to leave promptly to ensure all children are ready to start lessons at 9.00.
- This also gives you the opportunity to talk to your child's teachers about how they are progressing and settling in. If you need a longer appointment, you are more than welcome to arrange that with the teacher.

## Online resources
