

Nursery Newsletter

Friday 2nd February 2018

Dear Parents/Carers,

This week, Nursery have continued with our topic, 'How many colours in a rainbow?'

English

We all enjoyed mark making on the furniture and walls this week. Don't Panic! They were covered in paper and we made sure we ONLY wrote and drew where there was paper.

Phonics: m, n, d

Key vocabulary: straight line, circle, swirl, zigzag, pattern, name, letters, numbers

Maths

Our class have also been busy with their water play. We had the challenge of transporting water from one tuff tray to another using jugs, cups, spoons and guttering. This was quite tricky especially because they were at different heights. In addition to this, we made tally charts to record everyone's favourite colour.

Key vocabulary: transport, flow, trickle, move, pour, empty, fill, full

Expressive Arts and Design/Construction

This week we have learnt how to design a model before making it. We drew pictures of what we wanted build before thinking about and choosing the materials we wanted to construct it.

Later this week we were being very creative with some crates outside and we especially enjoyed making a train and pretending to go to different places (park, office, swimming pool).

Key vocabulary: design, model, materials, equipment, join, stick, construct

Friday 2nd February 2018

Next week

We will be learning all about Chinese New Year. There will be a special visitor to come in and teach us how to make spring rolls!

☺ Here are some activities you might like to try at home:

- Sing some jolly phonic songs. You can find these on YouTube <https://www.youtube.com/watch?v=ei.Oi.Fs.5u.F6w&t=318s>
- Practise writing your name
- Go on a number walk and see how many numbers you can see

Just a note to say:

Enjoy the weekend

Miss Wong, Mrs Higgs and Mrs Porphire

Don't forget to let us know what your child has been up to at home and fill in a 'WOW' moment sheet!
