

## Science week

by Charles

I liked science week because I like doing experiments. I liked using different pieces of equipment.

## Clubs at school

by David

I do maths club and football club. I enjoy football club because you get to play matches. Maths club helps me with my learning because I get to practise my times tables.

## Diary writing

by Nikita

We are currently working on diary writing about Anglo-Saxons daily life in the village.

## A mind to be kind

by Tyrese

You must show respect to your teachers, friends and family. I always help my friends when they are stuck. Recently, I helped my friend who hurt himself in the playground.

## Dancing Raisins

by Michael

I really enjoyed the dancing raisins experiment. It is definitely one that I would try again. Click on the link below for more information.

## The importance of reading

by Sarah and Kristjan

In guided reading, we develop our reading skills with our teachers. We complete fun activities about the books we read. For example, we get to do acting. Guided reading also encourages us to read books at home. This is because we get one session a week that is for reading for pleasure.

## Physical Education

by Shaun

I really enjoy my PE lessons. We start every lesson with a warm up. At the moment, we are doing dance and following a programme called Fitter Future, in order to improve our fitness levels.

## The Stroop Test

by Nutsa

During science week, we did the Stroop Test. We had to do three tests. Firstly, we had to read the words that were the same colours. Secondly, we had to read the words that were in different colours. Finally, we had to read the colours instead of the words. We recorded the time it took for each person to complete the challenges using bar graphs and line graphs. Would you like to try the Stroop Test at home? Click on the link below for more information.

# Quote of the week

by Chris

I chose this quote for Year 4 because it is very inspiring. Also, it was written by a very famous physicist.

# Stars of the week

# Scientists of the week

Simon class - Aidan L

Morpurgo class - Michael

# Word Count Leader board

Here is the leader board of the number of words read since the start of Year 4.

Name	Word Count
Massimo	345,844
Eileen	131,670
Nutsa	121,200
Gabriel	36,436
Larna	25,139
Nicholas	11,651
Ahmed	11,350
Isabel L	11,164
Kiara	10,847
Harvey	10,085
