## Friday 16th March 2018

Dear Parents/Carers,

This week in Reception we learnt about...

**Phonics:** We practised phase 2 and 3 sounds and tricky words they, was, me, be, she and could.

**Literacy:** We continued to learn the story 'The Bad Tempered Ladybird' and in groups the children thought of some fantastic adjectives to describe the different characters.

**For science week!** We had a blast doing lots of different experiments including the bouncy egg trick, we made our own giant bubbles, we coloured white flowers with different dyes and learnt about the parts of a flower. The children learnt the word prediction and what it means and we recorded our predictions and results as a class.

Our furry little chick friends visited the Reception and the children had an opportunity to hold them. We learnt about how to care for them.

**Topic:** We made our own ladybird fact books and used our phonetic knowledge to write four facts about ladybirds. Our books looked fantastic well done!

Next week: We will be getting ready for Easter celebrations!

☺ **Here are some activities you might like to try at home:**

- Recognise and write tricky words: was, they, she, my, be, we.
- For an extra challenge can you write a sentence using one or two of these tricky words?

**Just a note to say:** Children are only allowed water in their drink bottles. Think about healthy options for your child's pack lunch; no chocolate or sweets.

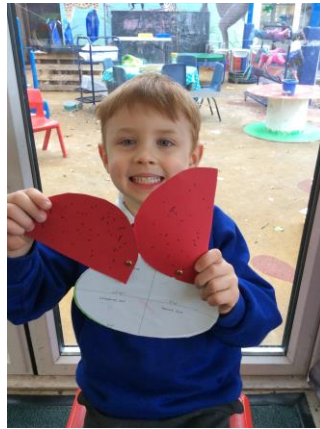

Our star of the week: Hanna

Our writer of the week: Jaxon-Jay

Have an amazing weekend Miss Cantwell, Miss C, Miss Zeto and Mrs Godfrey.
