

Dear Parents/Carers,

This Week:

English... This week we have continued to read the story The Man in the Moon (A day in the life of

Bob)

We focused on lists, looking at what Bob would need for his day on the moon. We introduced the children to the term bullet point, to help them organise their lists.

Maths... We have been working on multiplication and division.

D and T... This week are beginning to plan and make our rockets!

Next Week:

English... Continuing with the theme of space, we will be learning some space poetry and then writing our own versions.

Maths... we will be looking at number bonds to 10 and 20. To help with this trying playing 'Hit the button'. This is a free resource that can be played on tablets, PCs and laptops.

Homework

This week we would like the children to look around their homes and find items that are made from different materials.

PE

Year 1 will be continuing with swimming, so please ensure your child is signed up to take part. This is part of the curriculum so all children should be attending.

Have a fantastic weekend!
