

Year 2 Newsletter  
29.3.18

Dear Parents/Carers,

### This Week:

**English...** We have been learning to write our own setting descriptions using adjectives and sentence openers such as adverbs. After learning about the Magic Paintbrush and its setting we chose our own setting and described it using expanded noun phrases.

**Maths...** We have been learning about bar graphs and have collected different data to create our own bar graphs i.e. favourite fruit or colour. We have also been practising addition on a number line.

**Topic:** This week the children have finished researching about harbours and have planned and made their harbours using the materials they brought it. They have really enjoyed planning and building their harbours and have learnt to evaluate and make improvements.

### After Easter:

**English-** The children will be learning a new story and will choose actions to learn the story and put them into a sequence. We will then be creating story maps.

**Maths-** We will be revisiting subtraction on a numberline.

### Homework

The children are to check their homework books and complete any unfinished homework. We are also learning about minibeasts next term and the homework is to research and find facts about minibeasts.

**Other Notices:** Please remember we will be lining up on the playground next term at 8:40am in the bottom playground. Children will be collected at 3:15pm as usual from their classroom. The bug man is visiting us on 17<sup>th</sup> April.

A **big well done** to all the children for making such amazing and beautiful Easter bonnets! It was a very hard decision but our winners were Chloe Evans and Harry Mitchell. All of the children received a runner up prize. Well done for taking part. See the next page for more details!

*Our winners Harry Mitchell  
and Chloe Evans*

*Year 2 Easter Bonnets!*

*Have a great weekend and enjoy the Easter holiday everybody,  
Mrs Giannone, Miss Morton, Miss Guthrie, Miss Lewis and Mrs Noel.*
