

Year Three Newsletter

15/06/18

This Week

English: The children have started to write character and setting descriptions for a suspense story.

Maths: The children have started to work at a greater depth with mental addition by carrying out exciting activities and investigations.

Science: The children compared the different nutrients in a humans and animals diet.

Next Week:

English: The children will start to plan and write their own suspense story using The Nightmare Man for inspiration and thinking about describing the characters and settings.

Maths: The children will continue to work at a greater depth with mental addition by carrying out exciting activities and investigations.

Topic: The children will be starting the new topic of 'Predator' and finding out about food chains.

Homework

Spellings: Children have been given a list of spellings according to their learning needs to practise at home for a spelling test on Wednesday.

Maths: Children to show that they understand how to round numbers to the nearest 10.

English: Children to write a character and setting description from the given pictures.

Science: Children to find out about vitamins A, C, D and K and the role they serve in our bodies.

Notices

As we are now in the last part of the summer term and the sun is finally here, please ensure your child comes into school with a water bottle, sun cream (already applied) and a sun hat.

Have a great weekend,

Mrs Hassett, Miss Hall, Mrs Mallard-Shaw and Miss Hanton
