

## Year Three Newsletter

02/02/18

### This Week

English: The children made their own set of cards for Top Trumps based on chocolate bars. Then they wrote their own instructions on how to play the game and edited them to ensure all the features had been included.

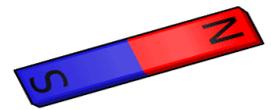

Maths: The children started to use their knowledge of multiplying and dividing to solve every day problems.

Topic: In Scrumdiddlyumptious the children had great fun making and tasting their smoothies using the two different fruits they brought in.

### Next Week

Science: We will continue with our topic of magnets and forces by investigating the different ways in which magnets are used in everyday life.

English: We will continue writing instructions. This time based on their own creation of a magic potion.

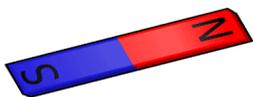

Maths: We will start to show different types of data in tally charts, pictograms and bar charts as part of the data handling topic.

### Homework

Spellings: Children have been given a list of spellings according to their learning needs to practise at home for a spelling test on Wednesday.

Maths: Children have been asked to make their own word problems involving division and/or multiplication for an adult to solve.

English: We have also looked at using prefixes this week. The children have been asked to create sentences using a range of words with the prefixes dis-, mis- and un-.

Topic/RE/Science: Children have been asked to explain, using diagrams how a magnet works.

### Notices

SCHOOL TRIP: Monday is the last day for replying and paying for the trip to the Science Museum on 20<sup>th</sup> February. The children are all very excited for the trip.

KS2 DISCO: The children in KS2 are having a disco on Thursday 8<sup>th</sup> February from 3.30-5pm. The cost is £1.50 payable on Agora.

Have an enjoyable weekend!

Mrs Hassett, Miss Hall, Mrs Mallard-Shaw and Mrs Blomfield
