

## Easter Explored at St James Church in Bushey

by Miss Moses

On Wednesday, Year 4 attended a dynamic Easter event at the St James Church. The church was transformed into Jerusalem in the year 33AD, so that they could tell the story of Easter in a multi-sensory and interactive way. The children walked through seven different scenes with a narrator as they took part in the story themselves. Every sense was engaged as the sounds, smells and tastes of this timeless story were brought to life. I have included images from the visit. Spend time talking and reflecting about the visit at home. You could even use the images to write a recount of the trip. If you do this, bring it into school. Stamps and small prizes will be awarded!

# Photography

I set some Year 4 pupils a challenge this week. We spoke about the quotes shown below, and they had to take a photo that encapsulated these quotes. The photographs are on page three.

The playground is looking wonderful because pupils planted daffodils with Miss Simmonds.

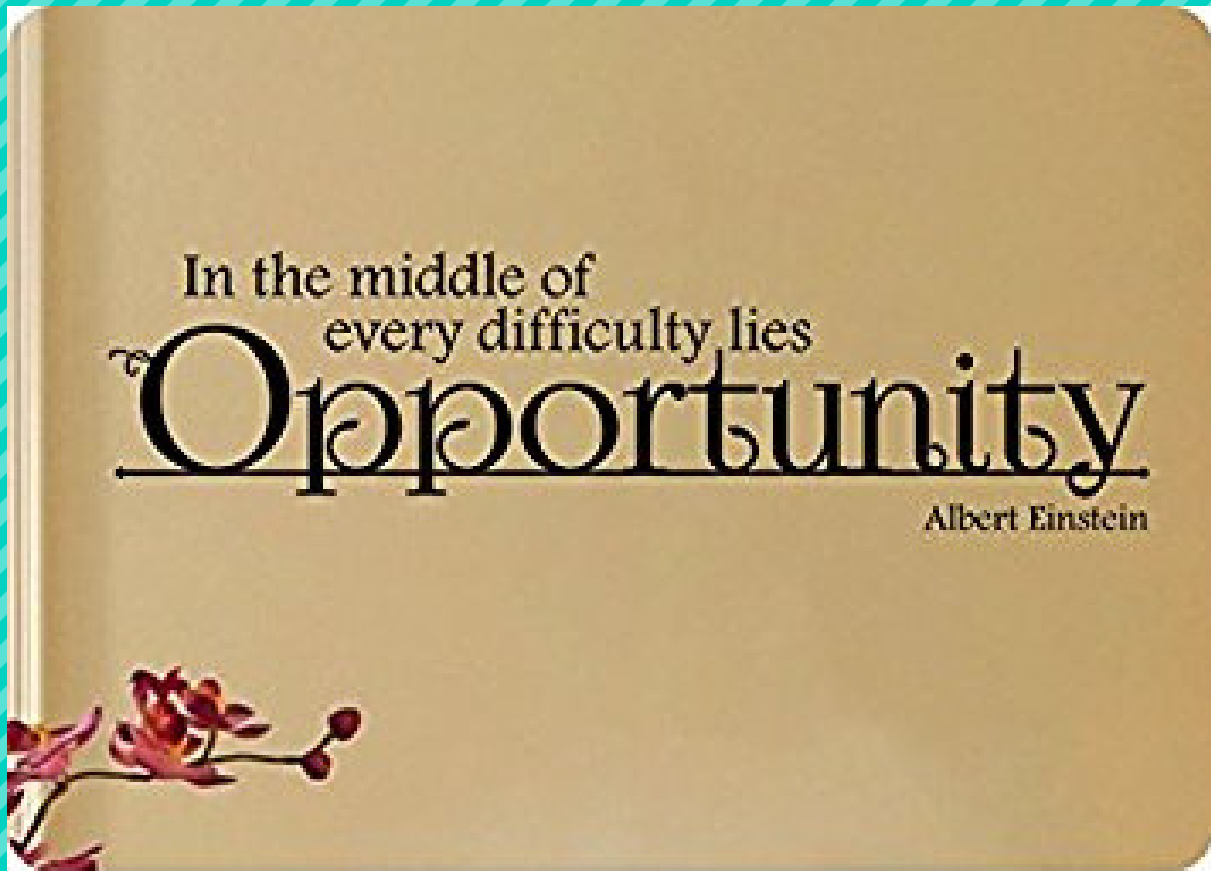

This board celebrates our friendship with a school in France. They wrote us lovely letters,

These are very special teddies. They were a gift from our sister school in China. We look forward to welcoming pupils from China in July.
