What is yoga?

In yoga you move your body into various positions. This helps you to become more fit or flexible, to improve your breathing, and to relax your mind.

Click on the link below to have a go at some Cosmic Kids yoga routines, and listen to a story in English at the same time. The children have been using Cosmic Kids in P.E.

Our South African sister school.

We are so excited to reveal that we now have a sister school in South Africa. It is called Laphumilanga School. Little Reddings tried to Skype the school during assembly this week, but unfortunately the connection dropped. The assembly was recorded and will be emailed over to South Africa. Hopefully, Skype will work in our favour next time!

The children in South Africa speak Xhosa. Have a go at learning numbers 1-10 in Xhosa. Click on the link below for a video that shows you how to say each number. Prizes available!
