LEARNING TOGETHER RESPECTING EACH OTHER SUCCESS FOR ALL

This Week:

During our SATs week, all of the children in year 6 have worked exceptionally hard. We are so proud of all of the children and the outstanding effort that they have put in. It was clear that all of the children were putting in their best effort and they will receive the results later in the year.

We would also like to thank the staff that helped us during this time: Mrs Birch, Mrs O'shea, Mrs Woodrooffe, Miss Foster, Mrs Malam, Miss Moses, Mrs Tong, Mrs Mallard-Shaw, Miss Shaw and Mrs Kemp.

As a reward for this hard work, we were lucky enough to receive a visit from the Navy who came in to do various activities with the children including team building, trying out the equipment they use and learning about the vital role they play in protecting our country. This was a really enjoyable day and it was great to see all of the children participating.

Reminder:

Next week, Friday 25th May, is an occasional day so there will be no school for children and staff on this day.

Next Week:

During next week, we will be starting our new topic 'What is life like in Mexico?' We will be enjoying an engaging start to our topic on Monday which will include: art, D and T and computing. We are looking forward to starting something very creative.

If you have anything you would like to share with us during this topic, it would be greatly appreciated.

We will also be continuing with our portfolio pieces where we are focusing on our information report about our fictional creature the 'Road Toad'.

Star of the week:

After such an incredible week, it would be impossible to choose just one star so this week we feel that everyone in our year group deserves the award.

Not only have they worked exceptionally hard during the SATs tests, they have been mature, responsible and have been outstanding role models for the rest of the school. We are so proud of each and every one of you!
