LEARNING TOGETHER RESPECTING EACH OTHER SUCCESS FOR ALL

This Week:

It's been another great week in Year 6 and your children have done so well in their Spring PiXL Papers. Next week the marked tests will be given out and it would be great if you could go through the questions with your child and reflect upon how well they have done. As always, please come and see us if you need any support in this!

This week as a treat, we did an impromptu dance afternoon in the hall. It was a great afternoon and something we will definitely be doing again.

Also this week we also started to design our own theme parks. This will be an on-going topic of the next coming weeks where children will have to work in their teams to design to develop their problem-solving and creative thinking skills and strengthen their ability to work collaboratively within a team. We can't wait to see what they come up with!

Lastly, to revise our grammar we worked together to solve the mystery of the missing space suit. We had to use the clues to solve the mystery and eliminate each of the suspects.

Next Week:

We are coming to the end of our factions topic so for next week, the children will have to apply our learning so far to a range of different contexts. This will involve working within groups to solve a range of problems.

Next week in English, we will be writing our first piece of work for our portfolios. This will be based upon a short video clip called 'Marshmallows' and will involve children using our suspense toolkit to writing a brilliant story.

Stars Of The Week

Ellie for constantly trying her best and making sure she treats others with respect. This week, you ensured that you tried your hardest in the tests and asked for help when needed.

Charlotte for putting soooo much effort into her tests and for always showing brilliant manners to her peers and adults. You are a perfect role model!

Disco!

Just a reminder that it is our KS2 disco next Thursday 8th February. It will be held in our KS2 hall straight after school and will finish at 5:00pm. For those of you that already have not yet paid, it needs to be paid on Agora and it is £1:50. The tuck shop will be open to buy snacks and drinks. We can't wait to see your best dance moves!
