LEARNING TOGETHER RESPECTING EACH OTHER SUCCESS FOR ALL

This Week:

In Maths this week we have been working in our next step groups, on fractions of amounts, equivalent fractions, simplifying fractions and ordering fractions. We have really enjoyed completing the different activities including 'code breaker' and 'defuse the bomb.'

In English this week we have been putting the finishing touches on our Alma stories. We have been peer-editing our narratives and exchanging ideas on how we can create the most creative story. Alongside editing our own writing, we have focussed in on being accurate with grammar, punctuation and spelling.

For their topic work this week we have been looking at famous inventors and their inventions and the way these amazing discoveries have changed our lives for the better. Inventions such as the telephone, the motor car, penicillin and many more. We worked in pairs to design our own fact-file poster informing the reader all about different inventors.

Next Week:

In Maths we will be moving on to using the four operations in conjunction with fractions. As well how fractions are used to solve worded mathematics problems.

Next week in English we will be looking at formal letters of complaint. How they are constructed, use of formal language, setting out a letter and persuasive language devices. Always with an overall focus on accurate spelling, punctuation and grammar.

Stars Of The Week

Isiah for continuing to blow us away with his maturity and dramatic change in his behaviour. We are really proud of the choices you are making!

George for improving his overall effort in his writing. We can see how much hard work you are putting in both at home and at school—keep it up!

Being Prepared

To enable children to be fully prepared for secondary school, it is essential that they come to school fully prepared. This includes having a fully equipped pencil case, a school bag and bringing any other books required such as home learning books and reading books.

Can we also remind everyone that black school shoes should be worn to school everyday. Please speak to us if there are any problems with this.
