'Learning together, Respecting each other, Success for all'

FRIDAY 3rd MARCH, 2017

World Book Day

What a fabulous day we had this week for World Book Day. Almost all of the children

dressed up as their favourite book character and there were some amazing costumes.

The day started with author visits for each key stage. The Early Years met Michelle Melzack

who is the author of Charlie's Cream Tea
www.facebook.com/victoriahartbooks

KS1 met Lorraine Reed who wrote Times Tables Fun with Naughty Katie

KS2 met Jason Cook who is the author of Rats in Space

<http://www.ratsinspace.com/>

We had an assembly where all of the children showed their costumes on a cat walk and the best from each class were chosen. The winners were given a certificate and chose a book as a prize.

What a great day!

FRIDAY 3rd MARCH, 2017

Year 1 Visit the Natural History Museum

This week, Year 1 went on a coach to the Natural History Museum in London.

Summer and Lexi (Y1) tell me that they learnt all about dinosaurs and they put together dinosaur bones.

They discovered how heavy and how big the bodies of dinosaurs are and they saw a dinosaur using robotics to move.

Summer told me that her favourite part of the visit was looking at the insects because she likes the way they eat each other.

Google Expedition

This week Key Stage 2 were fortunate enough to experience Google Expedition. This cutting edge technology used Virtual Reality headsets and 360 degree immersive images to enable our children to feel like they were on unique field trips.

Different classes visited a live volcano, outer space, the bottom of an ocean and the top of Sugar Loaf Mountain.

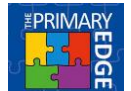

Our children were very enthusiastic about the experience:

"We used cutting edge technology to visit cool places without even leaving the classroom!"

"It made the impossible possible."

"It was even cooler than I had expected. I couldn't help but scream!"

"We were very lucky we had such a great experience."

FRIDAY 3rd MARCH, 2017

Lexi's favourite part was putting all of the bones together and seeing what type of dinosaur they made.

The whole year group had a great time and

behaved beautifully. Well done Year 1!
