'Learning together, Respecting each other, Success for all'

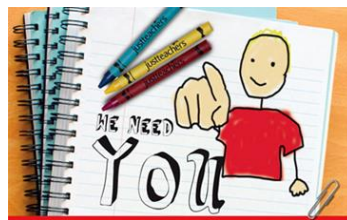

Tuesday 24th May 2018

Dear parents/carers,

The month of May is National Share a Story Month and this year's topic is 'Celebrating a World of Stories'.

Within school, the children will be hearing stories from around the world during assembly times and in their lessons.

With children in school representing over 20 different nationalities, who better to share stories from around the world than you?!

If you are able to share a story from your country/culture with a small group/whole class/whole school, please let your child's Class Teacher know – we would love to hear from you.

Also, if you have any story books from another country, your child's class would love to see them.

Many thanks for your continued support.

CSimmonds
