'Learning together, Respecting each other, Success for all'

Tuesday 1st May 2018

Dear parents/carers,

Little Reddings will be taking part in our very own Race for Life on Friday 11th May in aid of Cancer Research UK.

Our children are the generation that will hopefully see ground breaking treatments and cures for cancer in their lifetime; they are the rising stars who could be the researchers and lifesavers of tomorrow.

The whole school will walk/jog/run 1km on the school field beginning at 11am – and you're invited to join us. We ask that each child raises as much sponsorship as possible – either on the sponsorship form attached or via our online fundraising page at <https://fundraise.cancerresearchuk.org/page/little-reddings-primary>

We have all been affected by cancer in some way and at Little Reddings beating cancer is close to all of our hearts. We hope that you will be able to join us on the day and that you will help us to raise as much money as possible.

There will be other exciting things happening on the morning of the race, so look out for email updates! If you are able to support with something on the day, please let the Office know.

Thank you in advance for your support.

Best wishes,

CSimmonds
