

# Introducing you to our new Birthday Book Buy!

Is it your child's birthday? Then buy them a special gift that will benefit the school *and* celebrate their big day!

At [www.amazon.co.uk](http://www.amazon.co.uk) there is an LRS Birthday Wish List that contains books that our children would love to have in our library.

The idea is that you buy an extra gift for your child – a book from the list – that will be delivered straight to school. Upon its arrival, we will put a special book plate in the front with your child's name, birthday and age. The book will be handed to them in assembly and then go into our special library section for their friends to read!

What could be easier?!

The online wish list can be found at [www.amazon.co.uk](http://www.amazon.co.uk)

1. On the right hand side of the home page, you will see a 'Your List' link – hover over this
2. You should now see the 'find a list' link
3. Type in 'LRS Birthday' and search
4. You should now see the full list of our chosen books
5. You can purchase a book(s) from the list. The book(s) will then be delivered directly to school
6. Once you have completed payment, the book(s) will automatically be removed from the list, ensuring no duplications

Simples!!

We look forward to celebrating your child's birthday in assembly with a book.

If you have any questions, please contact the office.
