

Reception Newsletter

Thursday 29th March 2018

Dear Parents/Carers,

This week in Reception we learnt about...

Topic: We finished our Topic by talking about what we have learnt and what we want to learn next.

The children talked about what plants need to survive and planted their own bean plant. Their challenge is to look after their own plant over the Easter holidays and document its growth.

Easter: We painted and decorated chicks and created baskets. The children discussed the ingredients needed when making our chocolate nests we also wrote instructions as a class.

To end the term the children enjoyed an Easter bonnet parade!

☺ Here are some activities you might like to try at home:

- Practise these sounds, ai, ee, igh, oa, oo can you recognise these sounds in words.
- Write a sentence about how your family celebrates Easter.

Just a note to say: Children are only allowed water in their drink bottles. Think about healthy options for your child's pack lunch; no chocolate or sweets.

The Bug man will be in on the 17th of April

Reception Newsletter
