

Reception Newsletter

Thursday 24th May 2018

Dear Parents/Carers,

This week in Reception we learnt about...

Phonics: We all practised different sounds.
Miss Godfrey's group (ng ch, sh)
Miss Cantwell's group (ure,air) and sentence substitution.

Literacy: We invented a story using story baskets we chose a character, setting, problem and solution for our story. In groups we made a plan for our story then throughout the week the children wrote the beginning, middle and end of the story. Some of the children retold the story they had invented.

Numeracy: We focused on number recognition and we learnt about 2D and 3D shapes.

Topic: We finished our topic 'Why do zebras have stripes?' and talked about what we had learnt and decided on a new role play area relating to our topic 'What do we see in summer?'

This is what Reception will be learning about next week:

We will be talking about and writing what we did over the half term and sharing our spoon characters.

☺ **Here are some activities you might like to try at home:**

- Practise tricky words they, was, said, little, children.
- Can you write a sentence using one or two words and share it in front of the class.

Just a note to say: Don't forget to create your spoon character for home learning. I can't wait to see what the children come up with!

Have a fantastic holiday Miss Cantwell, Miss C, Miss Zeto and Mrs Godfrey.
