

## Year Three Newsletter

27/04/18

### This Week

English: The children started to plan sentences focusing on description of characters and setting.

Maths: The children started to learn about money linking to our current challenge to 'Make £5 Grow'.

Science: The children learnt about a famous palaeontologist called Mary Anning.

### Next Week:

English: The children will start to plan and write their own quest stories.

Maths: The children will continue to learn about money which links to our current challenge to 'Make £5 Grow'.

Science: The children will make their own 'fossils'.

### Homework

Spellings: Children have been given a list of spellings according to their learning needs to practise at home for a spelling test on Wednesday.

Maths: Research the prices of cakes, biscuits, drinks etc ready for our mini-café.

English: Write descriptive sentences for a character and setting.

Topic: Take photos of rocks in your local environment and create a mosaic poster.

### Notices

Next week see the start of 'Share a Story Month'.

We are lucky to be having an author join us in school on Monday (H.G. Sansostri) who is selling 2 of his books for £5 each. First come, first served. If you would like to come into class at any point during the month of May to share a traditional story from your culture, let us know.

Friday 4<sup>th</sup> May is an inset day, no children in school that day. Monday 7<sup>th</sup> May is a bank holiday.

Have great long weekend,

Mrs Hassett, Miss Hall, Mrs Mallard-Shaw and Miss Hanton
